Robert Bullard

To help us prepare for what we are about to study in our class, we are going to explore the work of Dr. Robert Bullard. Dr. Robert D. Bullard is a professor of Urban Planning and Environmental Policy at Texas Southern University. He is often described as the father of environmental justice. He is an award-winning author having written eighteen books that address sustainable development, environmental racism, urban land use, climate justice, and many other topics. He cofounded the HBCU Climate Change Consortium. In 2019 he was named one of the top 100 Most Influential People in Climate Policy by the Apolitical.
